4-H is Holding Discover 4-H Meeting

The Schoharie County 4-H program will hold a general interest meeting for parents and youth who are interested in becoming involved with 4-H. The meeting will take place on Sunday September 19 at 2 pm at the Extension Center in Cobleskill.

4-H is the youth development program of Cornell Cooperative Extension and is open to youth ages 5 to 19. 4-H clubs introduce youth to projects from astronomy to zoology including animal science, photography, natural resources, and gardening. 4-H also offers opportunities to youth who work independent of clubs. Workshops, camps, trips and other adventures are all available through 4-H membership. Youth who are involved in 4-H projects gain self confidence, independence, public speaking skills and generosity, among other life skills.

For more information, contact the Schoharie County 4-H Office at 518-296-8310 or 518-234-4303. Cornell Cooperative Extension is an equal opportunity employer and program provider.
