Cobleskill Community Garden Workshops Open to the Public

Cornell Cooperative Extension Schoharie County and the Office of Extended Learning at SUNY Cobleskill will host four summer workshops for both the Cobleskill Community Garden participants and the general public. All workshops will be held on consecutive Wednesday evenings from 6:30 to 8 p.m., from July 22 through August 19, there will be no workshops during the week of the Sunshine Fair. Workshops are free to Cobleskill Community Gardeners and open to the public at \$10 per person, \$8 for seniors, per workshop, all four workshops are available at a discounted rate of \$30, \$24 for seniors. Pre-registration is required; attendees may pay at the door. For information and registration call the Office of Extended Learning at 518-255-5528 or e-mail training@cobleskill.edu. For the 'Freezing Your Vegetables' workshop, call Cornell Cooperative Extension Schoharie County at 518-234-4303/518-296-8310.

Location: Cobleskill Community Garden

Cornell Cooperative Extension provides equal program and employment opportunities.

SUNY Cobleskill—the State University of New York College of Agriculture and Technology at Cobleskill—is a fully accredited, polytechnic, residential college. The baccalaureate culture spans the college’s three schools, which include Agriculture and Natural Resources, Liberal Arts and Sciences, and Business. SUNY Cobleskill is one of few institutions in the United States where an undergraduate student may also choose to earn an associate's degree. Modeling experiential education, SUNY Cobleskill provides the more than 2,500 students the opportunity for discovery beyond the classroom.
