**Cooperative Extension Plant Sale**

Cornell Cooperative Extension Schoharie County is hosting a volunteer planning meeting for their annual plant sale. The planning meeting is scheduled for Tuesday, April 29, at the Extension Center, 173 South Grand Street in Cobleskill, at 6:30 p.m. Master Gardeners, garden club members, and individuals who are interested in assisting in the sale are invited to attend.

“The plant sale has become a community tradition,” said Don Smyers, Executive Director of Cooperative Extension Schoharie County. “It has always been a means of supporting our consumer horticulture and master gardener program for county residents,” he added. “This year we hope to involve a greater number of community gardeners that can help revitalize our consumer horticulture programs,” Smyers said.

The plant sale will be held on Saturday, June 7, at the Extension Center.
