**Cornell Cooperative Extension Master Gardeners to Host
16th Annual Spring Plant Sale – Plant Donations Welcome!**

Cornell Cooperative Extension Schoharie County Master Gardeners will host the 16th Annual Spring Plant Sale on Saturday, May 21, from 9 a.m. to 1 p.m. at the Extension Center, 173 South Grand Street in Cobleskill, directly across from the Sunshine Fairgrounds.

A variety of perennials, herbs, annuals, vegetables, houseplants, trees, small shrubs, garden books, and other garden accessories will be available at very reasonable prices. Master Gardener volunteers and friends of Cornell Cooperative Extension will be donating plants to the sale. Plant donations are much appreciated and will be accepted at the Extension Office during office hours from May 9-13 and again from May 16-20, or by appointment until Thursday, May 19.

The Extension Spring Plant Sale is an annual fundraiser in support of the Consumer Horticulture and Master Gardener Programs, two of many non-profit, educational programs of Cornell Cooperative Extension Schoharie County. The programs provide gardening information, workshops and soil tests, and work within the community on gardening projects. For more information or to donate plants for the sale, please contact the Extension office at (518) 234-4303 or 296-8310 or email schoharie@cornell.edu. Cornell Cooperative Extension Schoharie County provides equal program and employment opportunities.
